

OLC WEEKLY LEARNING PLAN (FS1)

Week 2

Our topic this term is Splash! During this topic we will be teaching the children about water, including floating and sinking, freezing and melting, and why it is important for living things to stay hydrated.

REMINDER :Wednesday 12th June - Class Photo

This Weekly Learning Plan shares the learning that will be taking place this week and helps you to complete it during your time at home. Each day has a variety of lessons to ensure you access the whole curriculum while at home. You will find that there may be some slides to read / share with a grown up or a video to watch. There will also be some activities to complete.

OLC WEEKLY LEARNING PLAN (FS1)

Activity:

Children to draw their favourite part of the story, adult to scribe what they have drawn.

Rising 3's

Colour in beach pictures, with the correct colours-sand yellow, sky blue etc

Activity:

Work together to create a collage / painting display of different shells on a beach.

Activity:

Sing the song, 'Head, shoulders, knees and toes' doing the actions, or 'Jenie says' naming body parts and doing something with it e.g. 'Jenie says nod your head, Jenie says wiggle your fingers'.

This can be done as a whole class or small groups. Using the labels and pictures of the different parts of the body, play a matching game.

Children pick a label from the box and adult reads it. Can they find the matching body parts from the pictures? Begin to build up the pictures to create a whole body.

Questions: Can you name different parts of the body? What do they do/why are they important?

Raise Jigsaw Jerrie Cat's paws to indicate to children that they need to PAUSE (Stop), take a deep breath in and out and stretch as tall as you can. Ask the children about what the different parts of the body do or help you do (e.g. legs help you run around, fingers help you solve jigsaw puzzles).

Outlines of a body for children to colour/ decorate

Rising 3's

Activity:

Play a celebrations game. Use visual and oral clues to a variety of celebrations (e.g. tune of Happy Birthday, wedding horseshoe, etc.). Children to guess the celebration. Explore common themes of celebrating (e.g. people, food, games, etc.). Draw/paint pictures to illustrate celebrations the children have participated in. Play party games, e.g. musical bumps, Simon says.

Rising 3's
As above
