

Our Lady of Compassion Catholic Primary School

Governor Fact File

Name: Mike Murphy

Role: Foundation Governor

I was appointed as a Foundation Governor of Our Lady of Compassion School in April 2018.

I grew up in the Birmingham area attending St. Augustine's R.C. Primary in Solihull as well as Holy Souls R.C. Primary in Acocks Green. After briefly attending Archbishop Williams High School my parents moved to Shropshire where I attended Blessed Robert Johnson High School in Wellington. In later years I moved back to Birmingham where I trained to become a teacher at Newman College (in those days). I eventually became Head Teacher of St. John Bosco R.C. Primary in West Bromwich where I stayed for eighteen years. I now work part-time at St. Mary's R.C. Primary in Studley and for Newman University as a Partnership Tutor.

I am married with two grown up sons and have been registered at the Olton Friary Parish now for over thirty five years.

My aim and vision for O.L.C. School is to support and assist my fellow Governors, Head Teacher and staff as well as the wider community as we face the new challenges of future years ahead.

'To Live As Jesus Taught Us'
