

Our Lady of Compassion Catholic Primary School

Governor Fact File

Name: Rosaleen Allbright

Role: Foundation Governor

I am a parishioner of Olton Friary and have been a foundation governor since March 2018. I previously taught French at St Peter's school for 29 years and then cared for my parents for 10 years. I was educated at a catholic primary and secondary school in Derby before going to Newman College. My two children also received a catholic education at primary and secondary school level in Solihull. I would hope that my experience as a teacher and parent will be of benefit to the school. Having found strength in my catholic faith during difficult times, I am supportive of any institution which seeks to nurture the faith in young people.

'To Live As Jesus Taught Us'
