

Our Lady of Compassion Catholic Primary School

Governor Fact File

Name: Jackie Ryan

Role: Parent Governor

I am a mum to three children, two currently at Our Lady of Compassion School and one at St. Peter's School. When we are not on the side of a sports field / swimming pool / dance class / Tiny Church, we love to walk, read and enjoy days out together. We value being part of the OLC and Olton Friary family.

I currently work part-time as a primary school teacher, across all key stages, in a Catholic school in Birmingham and have done so for over 20 years. I am passionate about education and value the important role that Catholic schools have in nurturing and supporting all children academically, emotionally and spiritually.

I am very proud to be a parent governor at Our Lady of Compassion School. It is a privilege to work with other governors and staff at OLC and OLAAS in this governor role and I will endeavour to support strategic decisions to enable OLC children and staff to continue to flourish.

'To Live As Jesus Taught Us'
