Governor Fact File

Name: Margaret McNamara

Role: Foundation Governor

My name is Margaret McNamara and I have been a foundation Governor at Our Lady of Compassion School for over 9 years. I have 3 daughters, all of whom have attended OLC, and the youngest is currently in Year 6. I am a secondary school teacher, who has worked in Catholic schools in Birmingham for the past 25 years. I strongly believe that our role as parents, teachers and governors is to work in partnership to ensure that all pupils at OLC can achieve their full academic and social potential.
